Protos Security Promotes Kris Vece, LPQ to Vice President, Strategic Account Management

Norwalk, CT 9/2/2020 Security Services Holdings, LLC (dba Protos Security), the leading tech-enabled security services company in North America, announced that Kris Vece has been promoted to Vice President, Strategic Account Management. In this new role, Kris will be responsible for building a formal Strategic Accounts Management program for the company.

Kris Vece has been a security and investigation industry professional since 2004. She joined Protos Security in 2015 as Director of Client Relations and was promoted to Vice President of Client Relations in 2018. Through relationships cultivated over the years, and a dedicated focus on excellence she has earned a reputation as an industry expert.

“Kris’ passion for client satisfaction along with her experience, makes her uniquely qualified for this position” said Nat Shaw, Protos CEO.

Kris added, “I am excited and grateful for this amazing opportunity to ensure customer satisfaction, retention and growth.”
