

# ASSET PROTECTION & INVESTIGATION SERVICES

## APIS

*APIS is based in Northern Indiana and offers an array of security, investigation, asset protection and training services for business and the individual consumer.*

Jerry is the President and founder of APIS (Asset Protection & Investigation Service) a Valparaiso, Indiana based business. Jerry possesses over three decades of retail security and loss prevention experience which he gained during his career leading special investigative teams for some of the Nation's largest chain store operations such as Walgreens, Lowes Home Improvement, and Walmart. He is recognized by the U.S. Department of Justice and several major news organizations as an ORC subject matter expert and has successfully conducted and supervised countless cases throughout the United States.

Jerry Biggs  
President – APIS  
(Asset Protection & Investigation Services)
