***Michael Lamb Appointed to Metro LPSG Advisory Board***

Staten Island, NY— Metro One LPSG announces new advisory board member, Michael Lamb.

Michael Lamb, LPC has over 40 years of experience in the asset protection / loss prevention industry. He formerly served the Vice President of Asset Protection & Safety for the Kroger family of companies where he oversaw the strategic and tactical direction related to the shrinkage, waste control and safety across the Kroger enterprise, consisting of approximately 2800 store locations.

Excited for his new role, Lamb stated “I am most pleased to have the opportunity to join the Metro One LPSG Advisory Board. Metro One has been providing loss prevention services to retailers for more than 25 years and I have long admired the company’s focus on customer safety, and the appearance and demeanor of the Metro One security staff. Throughout my career, I have relied on Metro One to

support Home Depot, Walmart and Kroger, organizations I was privileged to serve as an LP executive and business leader.”

Under Lamb’s leadership, Kroger saw an unprecedented 12 straight fiscal Quarters of year over year shrink reduction. Prior to Kroger, Michael served as the Vice President of Asset Protection & Safety for Walmart US where he led the organization to one of its’ lowest shrink rates and returned over \$300M USD in shrink savings in his final year with the company before transitioning to Kroger. Previously he served as Vice President of Asset Protection, Regulatory Compliance and Safety for The Home Depot where he delivered among the lowest shrink and safety performance results in the company’s history.

As a member of Loss Prevention Research Council Board of Directors, Board of Directors for RILA’s Asset Protection Leaders Council, the Editorial Board for Loss Prevention Magazine, Board Member of The Loss Prevention Foundation, and on the Advisory Committee of NASP, he is a pillar of the security industry.

Metro One LPSG is excited to collaborate with Mike as the newest member of our Advisory Board. Mike Lamb has long been an LP industry innovator and thought leader and is an ideal addition to our Metro One Advisory Board, as we reimagine and lead the private security industry.
